

Privacy Policy: When you use our application, you trust us with your information. The purpose of this Privacy Policy is to explain whether or not we collect information about you in connection with the use of this application. Before using our application, we ask you to read the entirety of this Privacy Policy.

Data (information) collected: When using our application, we do not collect any information about you (personal data, location, photos / multimedia or files). Neither do we record any images when you film with your camera.

Shared data (information): No information is shared in connection with the use of this application.

Changes: This Privacy Policy may be subject to change. Any diminishing of your rights under this Privacy Policy cannot be applied without your express consent. We will publish any changes to the Privacy Policy on this page and, in the event of significant modifications, we will publish a relevant notice highlighting the changes.

Applicable Law: Any dispute about this Privacy Policy, or related to the latter, shall be settled in accordance with Swiss law. Any dispute about this Privacy Policy, or in connection with this Privacy Policy, will be subject to the Ordinary Courts of the Canton of Neuchâtel (Switzerland).
